INDEPENDENT AUDITORS' REPORT

To the Board of Directors Moveable Feast, Inc.

We have audited the accompanying financial statements of Moveable Feast, Inc., which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Moveable Feast, Inc. as of December 31, 2019 and 2018, and the changes in its net assets, functional expenses, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2 to the financial statements, Moveable Feast adopted Accounting Standards Update No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* and Accounting Standards Update No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958-605)*, during the year ended December 31, 2019. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

Julius # Company

In accordance with *Government Auditing Standards*, we have also issued our report dated October 12, 2020, on our consideration of Moveable Feast, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of its testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Moveable Feast, Inc.'s internal control over financial reporting and compliance.

1. Organization

Moveable Feast, Inc. (the Organization) is a nonprofit, non-stock corporation founded in 1989 and incorporated under the laws of the State of Maryland. The Organization provides nutritious foods and other services in order to preserve quality of life for people with HIV/AIDS and other life-threatening conditions. Now in its 30th year, the Organization continues to deliver medically tailored, nutritious meals through its Home Delivered meals program to its neighbors in need while significantly and strategically expanding in the following areas:

- Service offerings now include Medical Nutrition Therapy with its registered dietitians; the Community Partners Meal Program which provides nutritious meals to shelters, drop-in centers, senior centers, and other agencies in the Baltimore area; medical transportation to clinical appointments; and the focus of this proposal, the Culinary Apprentice Training Program.
- It has broadened program eligibility beyond HIV/AIDS to include cancers and all
 other chronic, life-threatening diseases such as renal failure, advanced diabetes, and
 heart disease.
- The service area has grown substantially, expanding beyond Baltimore City to include the five surrounding counties and the entire nine counties comprising Maryland's Eastern Shore.
- The Organization created the Culinary Apprentice Training Program to provide its struggling neighbors with the skills and experience needed to obtain stable, family-sustaining employment. Now in its 15th year, it is one of Baltimore's longest running and most successful culinary workforce development programs. The program targets individuals who are currently unemployed or severely underemployed, and who may face a variety of challenges including a broken or nonexistent work history, a criminal record, or a history of trauma, homelessness, or substance abuse. For those working to overcome such obstacles, the Culinary Apprentice Training Program offers the opportunity to gain valuable skills and build self-confidence while receiving the support needed to obtain substantive employment.

All services are provided at no cost to those the Organization serves and specifically cater to the severely ill, the extremely poor, and those facing barriers to employment. Focused on creating healthier and more hopeful communities, the Organization ensures that the men, women, and children serviced are armed with the ammunition they need to best fight their illnesses or the training they need to succeed.

The Organization also prepares and delivers healthy, nutritional meals to various Drop-In Centers in Baltimore City. These centers provide services to persons living in Baltimore who are experiencing homelessness and infected and affected by HIV/AIDS.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles, which requires the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Basis of Accounting

The accompanying financial statements are presented in accordance with the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing services. Non-operating activities are limited to resources that are considered to be of a more unusual or nonrecurring nature.

2. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

Cash includes interest and noninterest bearing operating accounts with insured financial institutions. Deposits often exceed federally insured limits. Management, however, does not consider this a significant concentration of credit risk. Cash equivalents at December 31, 2019 and 2018, include money market accounts. Cash and cash equivalents exclude such amounts included with the investment pool as those funds are part of the investment strategy and portfolio.

Investments

Investments purchased are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair market value in the statements of financial position. Net investment return (loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses.

Contracts and Grants Receivable

Accounts receivable consist primarily of noninterest-bearing amounts due for contracted services and are carried at original invoice amount less an estimate of doubtful accounts based on a review of all outstanding amounts. The Organization determines the allowance for uncollectible accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectible. Accounts receivable are deemed to be fully collectible; therefore, no allowance for doubtful accounts is recorded as of December 31, 2019 and 2018.

Pledges and Contributions Receivable

Pledges and contributions receivable represent unconditional promises to give from various contributors. The pledges and contributions that are collectible greater than one year are discounted at 3.25% as of December 31, 2019 and 2018. Moveable Feast, Inc. records an allowance for doubtful accounts equal to estimated losses that will be incurred in the collection of receivables. The estimated losses are based on historical collection experience and the review of the current status of existing receivables. For the years ended December 31, 2019 and 2018, the allowance for doubtful accounts was \$113,974 and \$139,451, respectively.

Inventory

Inventory consists of food and other kitchen supplies and is stated at cost. Cost is determined using the weighted-average method.

2. Summary of Significant Accounting Policies (continued)

Property and Equipment

The Organization records property and equipment additions over \$1,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from three to thirty years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are currently expensed.

Revenue Recognition

Contributions

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions have been met.

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contract and Grant Revenue

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. At December 31, 2019, all cost-reimbursable grants have been recognized because the qualifying expenditures have been incurred.

2. Summary of Significant Accounting Policies (continued)

Non-federal grants that are with or without donor restrictions are recorded as grant revenue in the year notification is received from the donor. Grants with donor restrictions are recognized as support without restriction only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying financial statements.

Contracted Services

A portion of the Organization's revenue is derived from contracted meal services with state and non-federal entities, which are conditioned upon certain performance obligations. Revenue is recognized once services have been performed. Due to the nature and timing of the performance of services, there was not deferred revenue under contracted services for the years ended December 31, 2019 and 2018.

Special Events

Special event fees and sponsorships are directly related to fundraising and are recorded as revenue when the events occur. Expenses related to the direct donor benefit portion of the special events are reported as decreases to special event fees and sponsorships on the statements of activities.

Capital Campaign Contributions

During the year ended December 31, 2014, the Organization initiated the Capital Campaign to raise \$2.5 million for capital improvements and renovations. Contributions for the Capital Campaign are maintained in restricted cash and investment accounts as reported on the statement of financial position. At December 31, 2019, there were no pledges outstanding for the Capital Campaign. There were pledges outstanding for the Campaign for the year ended December 31, 2018 (Note 5).

Donated Services and In-Kind Contributions

Donated Services are recognized as contributions if the services (a) create or enhance a nonfinancial asset or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization received donated services for professional legal services and from a variety of unpaid volunteers assisting in preparing and delivering meals. During 2019 and 2018, volunteers donated to the Organization, approximately 33,000 and 31,000 hours, respectively.

Donated services meeting the requirements for recordation in the financial statements have been recorded at the respective fair values of the services received. Contributed goods are recorded at fair value at the date of donation (Note 12).

2. Summary of Significant Accounting Policies (continued)

Concentrations

The Organization currently receives a substantial amount of its support from the federal government in the form of grants. A significant reduction in the level of this support, if this were to occur, may have a significant effect on the Organization's programs and activities.

Advertising Costs

Advertising costs are expensed as incurred, and approximated \$16,899 and \$12,430 for the years ended December 31, 2019 and 2018, respectively.

Functional Expense Allocations

The costs of providing various programs and other activities of the Organization have been summarized on a functional basis in the statement of activities. Expenses are allocated among the programs and supporting services based upon the functions they directly benefit and management's estimates of overhead and other indirect expenses applicable to each function, using primarily direct labor costs.

Tax Status

Moveable Feast, Inc. is a publicly supported organization, exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except as to income from unrelated business activities, if any. Tax years ended December 31, 2016 through 2018, remain open to examination by the taxing jurisdictions to which the Organization is subject, and they have not been extended beyond the applicable statute of limitations.

Uncertainty in Income Taxes

Moveable Feast, Inc. has a process in place to ensure the maintenance of its exemptstatus; to identify and report unrelated business income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

2. Summary of Significant Accounting Policies (continued)

New Accounting Pronouncements

In May 2014, FASB issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The ASU provides guidance for recognizing revenue under contractual arrangements. The overall objective is to recognize revenue as promised goods and services are transferred to customers and involves employing a five-step determination process.

In June 2018, FASB issued ASU 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958-605). The purpose of the ASU is to address long-standing diversity in practice and the difficulties in determining whether grants and similar contracts are exchange transactions or contributions. In addition, the ASU addresses the evaluation of whether a contribution is conditional or unconditional, which affects the timing of revenue recognition. Finally, the ASU addresses the issue of when a contribution is restricted.

Analysis of various provisions of this standard resulted in no significant changes in the manner the Organization recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurements

The Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by generally accepted accounting principles, gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The fair value hierarchy is as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities that the Organization can access.
- Level 2: Inputs to the valuation methodology include:
 - O Quoted prices for similar assets or liabilities in active markets;
 - o Quoted prices for identical or similar assets or liabilities in inactive markets;
 - o Inputs other than quoted prices that are observable for the asset or liability;
 - o Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

• Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported as of the end of the reporting period. For the years ended December 31, 2019 and 2018, there was no significant transfers in or out of levels 1, 2 or 3.

2. Summary of Significant Accounting Policies (continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

- Investments in *money market funds* are valued at the net asset value (generally \$1) of shares held by the Organization at year-end reported in the listing of the applicable major exchanges. Such securities are classified within Level 1 of the valuation hierarchy.
- Investments in *mutual funds* are valued at net asset value, reported daily in the active exchanges, of shares held by the Organization at year-end. Such securities are classified within Level 1 of the valuation hierarchy.
- Investments in *fixed annuities* are valued at cost, plus fixed account guaranteed interest specified in the annuity contract. Such securities are classified within Level 2 of the valuation hierarchy.

Reclassifications

Certain amounts in prior periods have been reclassified to conform with current period presentation.

Subsequent Events

Management has evaluated subsequent events through October 12, 2020, the date the financial statements were available to be issued. On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a pandemic. As a result, economic uncertainties have arisen which may negatively impact net income and future operations. The Organization is closely monitoring its operations, liquidity, and net assets and is actively working to minimize the current and future impact of this unprecedented situation. As of the date of issuance of these financial statements, the full impact to the Organization's financial position is not known.

3. Availability and Liquidity

The following reflects the Organization's financial assets at December 31, 2019 and 2018, reduced by amounts not available for general use within one year of the statement of financial position date because of donor imposed restrictions and internal board designations. Amounts not available include amounts set aside for long-term investing in the board designated reserves that could be drawn upon if the governing board approves that action.

	2019			2018
Cash and cash equivalents				
Unrestricted	\$	439,175	\$	1,772,102
Restricted - capital campaign		64,366		584,824
Total cash and cash equivalents		503,541		2,356,926
Grants, contracts and contributions receivable, net		346,401		973,700
Investments		2,108,930		337,563
Total financial assets	-	2,958,872		3,668,189
Net asset restrictions:				
With donor restrictions		(789,361)		(1,186,480)
Board designations:		(269,000)		(269,000)
Financial assets available to meet cash needs				
for general expenditures within one year	\$	1,900,511	\$	2,212,709

The Organization's goal is generally to maintain financial assets to meet 90 days of operating expenses. As part of its liquidity plan, excess cash is invested in short-term investments, including money market accounts and certificates of deposit.

4. Investments

Investments at fair value consist of the following at December 31, 2019 and 2018:

	Fair Value Level	S		
	(Note 2)		<u>2019</u>	<u>2018</u>
Cash and money market funds	1	\$	370,784	\$ -
Mutual funds	1		849,178	195,561
Fixed annuities	2		888,968	 142,002
Total investments		\$	2,108,930	\$ 337,563

Investments are reported at fair values at year-end. See Note 2 for a discussion of fair value measurements. The investments are subject to market risks, and their values fluctuate daily. Due to the level of risk associated with investment securities, changes in the values of investment securities will occur in the near term, and such changes could materially affect the Organization's financial position.

5. Pledges Receivable – Capital Campaign

During the year ended December 31, 2014, the Organization initiated the Capital Campaign to raise \$2.5 million for capital improvements and renovations. Pledges receivable for the Capital Campaign (Note 2) as of December 31, 2019 and 2018, included the following unconditional promises to give:

		<u>2019</u>	<u>2018</u>		
Amount due within one year	\$	114,595	\$	155,751	
Amounts due in one to five years		-		1,600	
		114,595		157,351	
Less: discount to net present value		(621)		(621)	
Less: allowance for uncollectible promises to give	-	(113,974)		(139,451)	
Pledges receivable, net	\$		\$	17,279	

6. Property and Equipment

Property and equipment consist of the following at December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Buildings and improvements	\$ 1,896,033	\$ 1,839,894
Kitchen equipment	484,007	447,141
Transportation equipment	425,083	425,083
Furniture and fixtures	 333,851	 322,845
	3,138,974	3,034,963
Less: accumulated depreciation and amortization	 (1,519,027)	 (1,267,122)
Property and equipment, net	\$ 1,619,947	\$ 1,767,841

Depreciation expense totaled \$257,648 and \$265,162 for the years ended December 31, 2019 and 2018, respectively.

7. Conditional Promise to Give

The Organization has a conditional promise from Historic East Baltimore Community Action Coalition (HEBCAC) for \$850,000, related to the ownership interest in the 901 N. Milton Avenue building it currently utilizes. At the end of the tax credit period of seven years, HEBCAC was to determine the ownership interest the Organization would obtain and how that transaction would be executed. During the year ended December 31, 2016, the tax credit period ended. Management is currently working with HEBCAC to determine the ownership interest to be recorded. No agreement with HEBCAC had been established during 2019. See Note 9 regarding rental and maintenance charges for the year ended December 31, 2019 and 2018.

8. Line of Credit

The Organization has a line of credit up to \$100,000 as of December 31, 2019 and 2018, expiring on September 26, 2020. There was no outstanding balance on the line of credit as of December 31, 2019 and 2018. The interest rate on the line of credit is variable, based on the prime rate. As of December 31, 2019 and 2018, the interest rate was 5.75% and 8.00%, respectively.

9. Leases

Moveable Feast, Inc. leased its kitchen facilities and office facilities through a seven-year lease beginning in December 2007. The base rent was \$55,404, with a 3% escalation clause each year. During the year ended December 31, 2014, the lease expired which resulted in a month to month lease with CAM (common area maintenance) charges only until new terms are negotiated. CAM charges totaled approximately \$126,000 for both years 2019 and 2018 and were included with utilities expense.

In addition, the Organization has a month-to-month lease agreement with an unrelated entity. Rent expense for the years ended December 31, 2019 and 2018, totaled \$14,400 and \$17,300, respectively.

10. Net Assets with Donor Restrictions

Net asset with donor restrictions were designated by donors for the following purposes as of December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Capital Campaign (Note 2)	\$ 575,364	\$ 637,802
Foundation grants	 213,997	548,678
	\$ 789,361	\$ 1,186,480

Net assets with donor restrictions were released from restrictions as follows during the year ended December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Capital Campaign (Note 2)	\$ 87,749	\$ -
Foundation grants	 555,929	 85,196
Total donor restricted net assets released	\$ 643,678	\$ 85,196

11. Board-Designated Net Assets without Donor Restrictions

The Board of Directors of Moveable Feast, Inc. designated \$269,000 for the Capital Campaign (Note 2) in support of renovations and improvements for the years ended December 31, 2019 and 2018.

12. Donated Services and In-Kind Contributions

Moveable Feast, Inc. received donated professional services and materials as follows during the years ended December 31, 2019 and 2018:

]	Program	Management		Fundraising		
<u>2019</u>		Services	and	d General	and D	evelopment	 Total
Kitchen services	\$	775,756	\$	-	\$	-	\$ 775,756
Special event services		-		-		172,760	172,760
Advocacy		25,000		-		-	25,000
Legal services		16,960		-		-	16,960
Food		11,198		-		-	11,198
Supplies		15,803		=			 15,803
	\$	844,717	\$		\$	172,760	\$ 1,017,477
<u>2018</u>							
Kitchen services	\$	628,609	\$	-	\$	-	\$ 628,609
Special event services		-		-		246,791	246,791
Legal services		-		33,365		-	33,365
Food		8,691		-		-	8,691
Supplies		2,538		-			 2,538
	\$	639,838	\$	33,365	\$	246,791	\$ 919,994

13. Retirement Plan

The Organization sponsors a tax-deferred annuity plan (the Plan) qualified under Section 403(b) of the Internal Revenue Code covering substantially all full-time employees. The Plan provides that employees may voluntarily contribute their earnings to the Plan, up to the maximum contribution allowed by the IRS. Employer contributions are discretionary and are determined and authorized by the Board of Directors each plan year. During both years ended December 31, 2019 and 2018, the Organization matched employee voluntary contributions up to 3% of eligible compensation. Total contributions were \$35,486 and \$29,080 for the years ended December 31, 2019 and 2018, respectively.
